Ph. 712-886-5441

Dear Photographer,

*Images of Western Iowa: The Loess Hills* calendar is produced by members of the *Loess Hills Visitor Center & Gift Shop*. The calendar is used as a promotional device for Western Iowa, with profits going to LHHA, a non-profit organization whose motto is “to be a citizen advocacy group focused on public education, promotion and preservation of Iowa’s Loess Hills” area.

Hints for success—**Film images:** Hints to produce sharper scanned images: (1) use a fast film speed (2) have photo printed on **glossy** paper (3) a steady camera. (4) **Digital images: High resolution fine jpg and tiff** images are also accepted. NOTE: Small pictures cropped from large pictures often produce inferior images. Spread your image subjects through the 7 Loess Hills Counties. All degrees of talent are acceptable for submission. Scenic views, wildflowers, wild animals and birds, area recreation spots and shots of local celebrations are good subjects. If you have suggestions or questions, don’t hesitate to call us.
